This Route Book contains the ASC 2016 route steps, which define the official course from Brecksville, OH to Hot Springs, SD. Should changes to the route become necessary (due to construction or otherwise), please follow the updated route steps as given by the stage/checkpoint crews.

The Major Turns/Instructions column lists all directions necessary for following the route. Mileages given in the Trip and Int (interval) columns are not precise to the hundredth of a mile. A distance of 0.25 should be interpreted as "between 0.2 and 0.3 miles".

Other data is provided for additional reference. Please note that not all traffic lights, changes in lanes, speed limit or shoulder condition, or available services are listed. In completing the course, all traffic laws must be obeyed at all times.

When you reach the end of a segment, watch for a flag person to direct you into the checkpoint/stage stop. Proceed under the direction of the checkpoint/stage point crew.

Have a safe trip!
