

AMERICAN SOLAR CHALLENGE 2018

STAGE/CHECKPOINT LOCATIONS & SCHEDULE

- **SOLAR CARS!**
- **JULY 14-22, 2018**
- **1700+ MILES**

The American Solar Challenge 2018 is a collegiate event featuring both single and multi-occupant solar powered vehicles. Traveling primarily on US highways, State roads, and other non-interstate routes, the cars will follow portions of the Oregon Trail and other trails heading West, with stopping points along the way.
