Solar Car Teams,

The 2019 IEF Solar Car Conference will be held Friday-Sunday, February 1-3, 2019 on the campus of Southern Illinois University Edwardsville (SIUE) in the St. Louis area. You do not want to miss this conference, which will include:

- 2020 Regulations discussion
- Project Management for a successful project
- Mechanical vehicle design
- Electrical vehicle design
- Business/operations topics
- Multi-occupant vehicles discussion
- Networking time
- One-on-one sessions with inspectors
- Advisor roundtable
- ...and more

Get the information and build the connections that will help your solar car project be successful in 2019 and 2020 and beyond!

## One-on-Ones

Based on popular demand, we will once again have the opportunity to sign-up for one-on-ones with the event staff and inspectors in attendance. This is a great time to ask questions and discuss specific designs for your team. Avoid the long email thread of back and forth messages and instead engage in face-to-face conversation!

## Logistics

The conference will start late afternoon on Friday and wrap up by lunch time on Sunday to minimize your time away from campus. Come ready to make the most of this time we will have together! For those flying, the SIUE campus is located 25 miles from St. Louis Lambert Airport. Bringing a car or a van load? SIUE is making arrangements for free parking on campus during the conference. We are currently working with several hotels near SIUE to secure group rate pricing. Stay tuned for details!

## Conference Fees

For 2019, conference registration fees are as follows:

|   |                 |                              |
|---|-----------------|------------------------------|
| Early Bird Registration<br><i>(ends Nov 30)</i> | \$300 per team* | \$30 per additional attendee |
| Regular Registration                            | \$350 per team* | \$35 per additional attendee |

\* Team registration includes up to 3 team members plus one full-time faculty/professional staff.

**Be sure to register by November 30 for best pricing!**

On behalf of all of the Formula Sun Grand Prix and American Solar Challenge staff, we look forward to seeing you at the conference!

Gail Lueck  
FSGP/ASC Event Director
